.....an initiative of JNV Alumni

WHO WE ARE

A humongous group of highly cohesive people sharing the same umbilical cord that unflinchingly keeps it connected to its alma mater, the JNV. The alumni group strives to live up to the motto of its alma mater - 'Come to Learn go to Serve', by creating a center of excellence for teaching, training, coaching and skill development.....

GROW WITH US

'If you don't build your dream, someone else will hire you to help them build theirs', famously said an industrialist who went on to establish one of India's biggest conglomerates. It's with same ethos that we exhort you to be a part of our exciting foray and help us create wealth for all the stakeholders.

Mission

NKC's mission is to have a profound and transcendental impact on society through continual innovation in education, training, creativity and skill development, and by creating an unprecedented one-roof, multi domain institute of education and skill development by 2025.

Vision

NKC strives to create a robust and extensive alumni interface by roping in every single alumnus/alumna of all JNVs as stakeholder on the contrary it aims to provide and facilitate every student with a conducive and customized learning environment to accomplish his/her career goals with a strong emphasis on excellence and personality development.

The vision of NKC aims to makes this institute work around the clock with greater autonomy and to develop as all-time solution for a knowledge center.

NKC has been established with a firm commitment to foster a holistic approach to facilitate and promote studies and research in emerging areas of education.

The journey of NKC has started with 100 aspirants of JEE/NEET with a unique concept of all sorts of institutional facilities under one roof having target of 90% selection.
